

Technology Advisory Council

The Board supports the establishment of a Technology Advisory Council for the purpose of informing technology integration into the classroom, promoting the sharing of information, and fostering a sense of collective ownership of the District's technology policies. The implementation of this process shall involve regular communication between the Council, administration, and the Board.

Council Membership

The Council shall be organized at the District level. The membership should comprise teachers, classified employees, a building administrator, students, parents/guardians of students, and may include business leaders or members of the community at large.

At least one member shall be the Superintendent of the District, or the Superintendent's designee.

Teachers and classified employees shall be selected by the administration within the District. Parents shall be selected by parents of students attending within the District, and other representatives shall be selected by the Council.

Council Duties

Duties of the Technology Advisory Council shall include but not be limited to:

1. Providing recommendations on the integration of technology into the learning environment; and
2. Sharing best practices and innovative uses of technology in the classroom.

Implementation and Review

The Superintendent shall be responsible for overseeing the activities of the Council and for providing ongoing assessment of site Council functioning.
