

Distribution and Posting of Materials

The distribution of materials from outside the school system uses a considerable amount of valuable educational time. This time is taken away from students, teachers, and the clerical staff. It is the District's policy to limit the distribution of materials to parent and student organizations sponsored by the District or other governmental agencies. Materials that provide information valued or needed by the District may also be distributed.

Students should not be used to distribute partisan materials or information pertaining to a school or general election, budget or bond issue, or negotiations. Students should not be exploited for the benefit of any individual, group, or profit-making organization.

No staff member may distribute any materials on school property without prior approval of the Building Administrator. All notices and notes sent home with students concerning school activities, programs, schedule changes, organizations, charges for equipment and materials, etc., shall be cleared with the building principal before being sent. All materials distributed will clearly indicate their source. Non-school-related materials will be plainly labeled, including a disclaimer that the activity is "not a school-sponsored activity."

All organizations must have the approval of the Superintendent before materials may be distributed. The Superintendent will use the guidelines listed above in the approval of the distribution of the materials. Peach Jar has been selected by the District for flyer distribution. Organizations can submit flyers for distribution approval at peachjar.com

In order to facilitate the distribution of materials with information about student activities offered in the community, each school will do the following:

1. Maintain a centrally located bulletin board for the posting of bulletins;
2. Maintain a table where flyers and other information can be made available to students;
and
3. Include announcements for student related activities in newsletters that go home with students. The announcements must be submitted in a timely manner to the newsletter in which the announcement is to go home, must advertise a youth-oriented activity, and must be of non-religious, non-political nature.

It is the intent to post all notices and place flyers in the distribution area except those that are viewed by the principal as likely to be disruptive, libelous, or obscene.
